Press Statement

Thomas Liu

Student Advisory Council Elect

McLean Virginia

May 5, 2016

First of all, I will like to thank every one of you who supported me throughout the campaign, and most importantly the elections last week. Without the support of my friends and fellow Saxons, the dream of being elected would have never happened. Throughout my campaign, we worked hard to spread our positive message and how I will represent Langley in the Student Advisory Council in the following year. I will work with my fellow members, Daniel Xu, Andrew Farnsworth, and Arnold Leigh to represent all of Langley in the county wide meetings.

Since I announced my candidacy, I gathered an excellent group of friends to support and help run my campaign. Without all of them, it would have been impossible for us to win the spot as the SAC representative. I will like to personally thank my Campaign Manager Devon Parikh, Communications Director Austin Hanley, Finance Director Andrew Farnsworth, Outreach Director Erik Toor, Volunteer Coordinator Alex Marjanovich and my Honorary Campaign Chairman Dan Vargas. I will also like to thank all four incumbent Class Presidents for their support of our campaign as Class Coordinators. Most importantly, I will like to thank all of my fellow Saxons who took time to fill out the Google Doc and endorsed me. Our campaign was the only campaign who relieved any endorsements during the campaign.

As I look forward, I will like all of you to join our SAC delegation and help us brainstorm ideas for the next school year. Let's work together to for our own 2016-2017 school year. #HailSaxons
